THREE BLOWS STRUCK.

J. Riley Vansant Finally Managed to Get His Angry Assailant by the Throat.

As Vansant turned the whip fell again, this time across his forehead, where it left a long red welt. Vansant struggled to his feet, but as he straightened up the whip once more, and this time swept across his mouth and cheek.

A Guest Interfered. Vansant grappled with his assailant seized him by the throat and forced him back on a table, smashing crockery and glassware as he did so. A guest of the tel interfered and separated the men. Then the horsewhipped man and his assaltant both departed.
